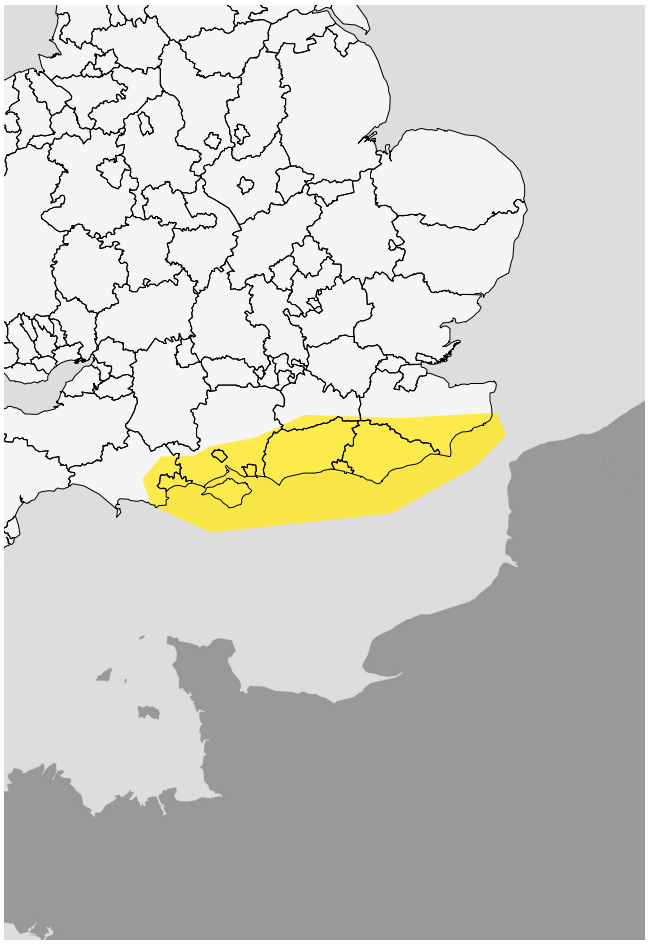
Yellow warning
Rain & Wind

Between
05:00 Wed 1 Nov 2023 and
09:00 Wed 1 Nov 2023



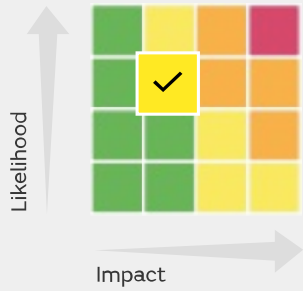
Travel disruption is possible from a combination of heavy rain and strong winds on Wednesday morning.

What to expect

- Some interruption to power supplies and other services likely and damage to trees is also possible
- Spray and flooding on roads probably making journey times longer
- Delays for high-sided vehicles on exposed routes and bridges likely
- Some short term loss of power and other services is possible
- It's likely that some coastal routes, sea fronts and coastal communities will be affected by spray and/or large waves
- Some delays to road, rail, air and ferry transport are likely

Further details

Spells of heavy, showery rain accompanied by gusty or squally winds are expected on Wednesday morning, this rain clearing from the west during the course of the morning. 10-15 mm of rain may fall in quite short periods of time and gusts may reach 60-70 mph in some exposed coastal locations.



Medium likelihood of low impacts
